Health and Safety Checklist for LEX Child Care Providers (Build 26)

The child care facility applicant or registered child care facility must cooperate and allow for an unannounced on-site inspection by the division or designee at initial application and annually thereafter. The on-site inspections shall ensure that the child care applicant's and registered child care provider's facility is in compliance with the following health, safety, fire, and other requirements:

The child care facility shall meet local ordinances, codes, and regulations, particularly with regard to fire safety and smoke or carbon monoxide detectors.

Compliance ☒ In Compliance

RECORDKEEPING

Missouri Registered Child Care Monitoring Unit License-Exempt Checklist Report

No.: 00069

Health and Safety Checklist for LEX Child Care Providers (Build 26)

Date: 12/11/2020

The child care provider shall maintain an accurate register of all children who receive care from the provider. At a minimum, the register shall contain the following information for each child served under the contract with the department.

1. The child's full name and date of birth
2. The name, address, email address, phone number and other necessary contact information of each person legally responsible for each child
3. Allergies to food, medications, insects or other materials
4. Daily medications, including dosage, time of administering, and route for administering
5. Listing of persons authorized to pick-up and drop-off child as approved by person legally responsible for the child
6. For infants, feeding times and amount of breast milk or formula per feeding.
