Compliance Inspector (CI) Laura Wilmesher conducted an investigation regarding the allegation that on August 26, 2021, a vehicle drove through the building and broke windows in the lower level. After conducting the investigation, CI Wilmesher finds this allegation is substantiated. This conclusion is based on the following evidence of licensing rule violations which occurred at the facility:

On August 27, 2021, Compliance Inspector (CI) Laura Wilmesher conducted an unannounced inspection of the facility. During the inspection, CI Wilmesher observed that one window in the lower level had been replaced with a board. The window with broken glass was observed lying on the floor of the lower level classroom. No children were present in the classroom at the time.

On August 27, 2021, CI Wilmesher interviewed staff members at the facility. Adrienne Pennington stated the lower level was hit by a parent's car. Tonjuana Ethridge stated the car hit the lower level window and the window was boarded up and will be replaced the following week.
