RULE/STATUTE VIOLATION(S)

VIOLATION(S)

19 CSR 30-62.042 (3)(X)

All day care provided on the premises of a licensed facility shall be in compliance with the licensing rules and the conditions specified on the license.

CONCLUSION SUMMARY

SCCR has determined that the facility was in violation of the above rule based on statements made by executive director Lori Brandow, who stated that the Mexico Area Family YMCA offers an all day program known as the Holiday Fun Club for school age children during days that the public school is closed for holidays and teacher work days, that it operates from the hours of 7:30am to 5:30pm, and held at the same location as the afterschool program. It is also based on the observation of Child Care Facility Specialist (CCFS) Cynthia Maddox, of 15 school age children in care during a time outside of the approved licensed hours for the Mexico Area Family YMCA KEYS Program, whom were participating in the Holiday Fun Club.

CORRECTIVE MEASURES

CORRECTIVE MEASURE

Mexico Area Family YMCA shall submit an application for license revision to include full daytime hours during which care will be provided or shall cease caring for children outside of the approved hours of 3:00pm to 5:30pm.
