RULE/STATUTE VIOLATION(S)

VIOLATION(S)

19 CSR 30-62.087 (2)(F)

Child care staff shall conduct at least one (1) fire drill each month and a disaster drill at least every three (3) months. The disaster drills shall include tornado drills. The provider shall maintain a written record at the facility of the date, type of drill, time required to evacuate the building, and number of children present during the drill.

CONCLUSION SUMMARY

SCCR has determined the allegation is substantiated. A staff reported it had almost been a year since they conducted a fire drill and another staff reported it had been a few months. The last documented fire drill was conducted on April 13, 2018. The last tornado drill was conducted on May 3, 2018. The facility is required to do monthly fire drills and a tornado drill every three months. Based on the statements provided and documentation at the facility the allegation is substantiated.
