RULE/STATUTE VIOLATION(S)

VIOLATION(S)

19 CSR 30-62.122 (1)(A)

All persons working in a day care facility in any capacity during child care hours, including volunteers counted in staff/child ratios, shall be in good physical and emotional health with no physical or mental conditions which would interfere with child care responsibilities. These persons shall have a medical examination report, signed by a licensed physician or registered nurse who is under the supervision of a licensed physician, on file at the facility at the time of initial licensure or within thirty (30) days following employment.

CONCLUSION SUMMARY

The allegation is substantiated based on interviews with the staff and observations made by Child Care Supervisor, Missy Smith. The facility did not have a complete a medical form on file for Penny Beale within 30 days of hire.

CORRECTIVE MEASURES

CORRECTIVE MEASURE

The facility director will review all staff files to ensure that all staff who have been employed over 30 days have a medical examination on file. A statement shall be submitted to SCCR with each staff person's name, date of hire and date of medical examination.
