Diapers and wet clothing shall be changed promptly.

**CONCLUSION SUMMARY**

Based on the interviewed with staff members and the Mom of Child A, the allegation that on September 6, 2017, Child A's diaper and then wet clothing from the full diaper was not changed all day long is substantiated.

Mom of Child A stated that on September 6, 2017, she dropped off Child A at 8:24am wearing a bicycle pattern diaper and left plaid pattern diapers to be used throughout the day. After Mom of Child A took Child A home at around 3:30pm, she notice that Child A was soaked through his clothes and still wearing the bicycle pattern diaper .

Facility Director Kristin Skebo and Assistant Director Christine Branson stated that Mom of Child A called the facility and stated that Child A's diaper hadn't been changed all day. After speaking with Child A's Lead Teacher, Sasha Robinson, and searching for the used diaper, the facility agreed Child A's diaper and wet clothing was never changed on September 6, 2017.
