CONCLUSION SUMMARY

Section for Child Care Regulation determined The Kiddie Depot Daycare, LLC violated this licensing rule on July 15, 2018, based on statements made during interviews and observations at the facility. On July 26 and 27, 2018, during the investigation, CCFS Pam Snyder conducted interviews with Managing Member Penny Dale and Staff Alyna Dale. Both people interviewed stated that Alyna Dale was the only staff present in the facility, with five children, at approximately 7:00 pm on July 15, 2018. Both confirmed that Alyna Dale had left the children alone while she went back and forth to the kitchen with dirty dinner dishes. It was during one of these absences that Child A, age 8 or 9, asked Child B, age 5, to pull her pants down and show her "butt." Based on information obtained during interviews, confirming that the children were left unsupervised while Alyna Dale left the room, this complaint is substantiated.
