HARRIS, KATHY

**RULE/STATUTE VIOLATION(S)**

**VIOLATION(S)**

19 CSR 30-62.082 (7)(B)

Swimming and wading pools shall have a water filtration system. The water in swimming and wading pools shall be treated, cleaned and maintained in accordance with health practices and rules as determined by the local or state health authority, or both.

**CONCLUSION SUMMARY**

This allegation is substantiated based on observation of a Facebook page picture and admission by Unity Academy 2's charge person and acting director, that unfiltered wading pools have been used for water play day.

**CORRECTIVE MEASURES**

**CORRECTIVE MEASURE**

Alexis Sisson, acting director for Unity Academy 2, has agreed in writing to no longer utilize unfiltered wading pools for daycare children.
