It shall be unlawful for any person to establish, maintain or operate a child-care facility for children, or to advertise or hold himself or herself out as being able to perform any of the services as defined in section 210.201, without having in effect a written license granted by the department of elementary and secondary education.

CONCLUSION SUMMARY

On November 30, 2022, the Office of Childhood received a report alleging childcare is being provided at 707 S Hemphill St Crane, MO without a childcare license. After conducting an investigation, Compliance Inspector (CI) Caylin Mertz has found this allegation to be substantiated based on the following evidence and rule violations:

RSMo 210.211.1 which states "It shall be unlawful for any person to establish, maintain or operate a child-care facility for children, or to advertise or hold himself or herself out as being able to perform any of the services as defined in section 210.201, without having in effect a written license granted by the department of health and senior services ."

On December 30, 2022, Compliance Inspector (CI) Caylin Mertz conducted an unannounced inspection at the facility. Owner, Nichol Woodward, provided identifying information for 11 children that were observed in care. The children's ages range from eight-months-old to five-years-old. Nichol Woodward does not currently have a childcare license.
