CONCLUSION SUMMARY

On March 8, 2022, the Office of Childhood (OOC) received an allegation that Urban League of Metropolitan St. Louis was not allowing parents of enrolled children to come inside the facility when signing children in and out. After conducting an investigation, Compliance Inspector (CI) Ian Fyfe has found this allegation to be substantiated based on the following evidence:

5 CSR 25-500.132(13) which states: "Parents shall have access to the facility at any time during child care hours."

On March 15, 2022, Director Mimsy Hebron stated that parents of enrolled children are not allowed inside of the building due to COVID-19 policies set forth by the facility's human resources staff. The policy has been in effect since she became director in July 2021.
