CONCLUSION SUMMARY

Section for Child Care Regulation has determined that Creative World School, Inc. violated licensing rules. CCFS Jill Zeigenbein conducted interviews with cook Ronni Sparks, co-director Kaylee Cassidy, and caregivers Shannon Nevels and Lindsey Ritter. During these interviews all stated that they were aware that Child A was allergic to eggs and that he was served French toast on November 18, 2019. Further, these rules were violated based on CCFS Jill Zeigenbein's observation that there was not a Specialized Care Plan in Child A's file to inform the staff about Child A's allergy nor was there an infant diet plan stating what specifically Child A could eat, and based on Child A's mom's statement that she has not been asked to complete a Specialized Care Plan on Child A.

Further, this report is substantiated based on Child A's mother's statement that the daycare has Benedryl at the daycare for Child A and CCFS Zeigenbein's observation that there was not an authorization on file from Child A's parents authorizing Child A to be administered the Benedryl.
