Infant and toddler toys shall be kept clean and shall be sanitized after any contact with body fluids.

CONCLUSION SUMMARY

Section for Child Care Regulation has determined Calvary Lutheran School and Early Education Center violated rule 19 CSR 30-60.090 (1)(B). This is based on statements and the photo of a four month old child having feces on his feet. The child's mother noticed the feces on the child's feet at pick up. Earlier in the day, a child had a blow out diaper and that child's feces was on an infant saucer. The staff moved the saucer to the side and was going to clean it up later. A new staff came into the room and did not know about the blow out diaper. The new staff placed a child in the saucer where the child's feet came into contact with the feces. This occurred at about 3:00 PM. The parent picked the child up at about 4:15 PM. The staff failed to keep the equipment clean and sanitized. The allegation is substantiated.
