RULE/STATUTE VIOLATION(S)

VIOLATION(S)

19 CSR 30-62.192 (5)(A)

In case of accident or injury to a child, the provider shall notify the parent(s) immediately. If the child requires emergency medical care, the provider shall follow the parent(s) written instructions.

CONCLUSION SUMMARY

The reported concern is that parents are not being notified immediately by the staff when there is an incident at daycare . The administrators and staff all report when there is an incident , the staff complete the report and the administration is given completed incident reports. There are times, the administration is immediately called by the staff and times the report is handed to the administrators. The administration then follows up with the parent, The parents are only contacted if there is a head injury or blood. The director indicated that she was not aware of the parents needed to be immediately called on all incidents. Based on the statements provided the allegation is substantiated.

CORRECTIVE MEASURES

CORRECTIVE MEASURE

The facility shall conduct a staff meeting to review the center's policies and all licensing rules and regulations regarding accidents and injuries. The facility must provide the Section for Child Care Regulation with a statement, signed by all staff (paid employees or unpaid volunteers), to indicate they understand and agree to follow those rules and regulations.
