They have received a copy of the provider's policies pertaining to the admission, care and discharge of children.

CONCLUSION SUMMARY

Section for Child Care Regulation determined that Kidding Around of Blue Springs LLC violated a licensing rule . On October 25, 2019. Child Care Facility Specialist (CCFS) Monica Morgan interviewed daycare director, Erica Baltz, staff member, Rashon White and Child A's mother. Child A's mother reported she was told by another staff member that Rashon White took pictures of Child A on her personal cell phone. Rashon White stated she took one picture of Child A on her phone and sent it to Child A's mother. Rashon stated she was then told by Erica Baltz not to use her cell phone to take pictures of children. Child A's mother signed the facilities contract for care that she did not give permission for Kidding Around to take photos of Child A. The staff member's classroom technology agreement states no pictures will be allowed to be taken on cell phones due to privacy issues.
