All child care provided on the premises of a licensed group child care home or child care center shall be in compliance with the licensing rules, the conditions specified on the license, and the conditions of any variances granted to the licensee.

CONCLUSION SUMMARY

Compliance Inspector (CI) Laura Wilmesher conducted an investigation regarding the allegation that on November 1, 2021, Child A was picked up at 5:36 a.m., but the facility is only licensed to care for children from 6:00 a.m. until 9:00 p.m. The allegation is substantiated. This conclusion is based on the following evidence of licensing rule violations which occurred at the facility:

On November 10, 2021, CI Wilmesher interviewed LLC Member Aneshia Osby who stated she did pick up Child A prior to 6:00 a.m. on November 1, 2021, as that was the only time she could provide transportation for Parent A on her morning transportation route.

CORRECTIVE MEASURES

CORRECTIVE MEASURE

All staff members, including all paid employees and paid/unpaid volunteers, must sign a statement indicating they understand and agree to follow the license specifications. A copy of the signed statements shall be provided to the Office of Childhood.
