19 CSR 30-62.112 (1)(A)

Birth Through Two (2) Years. Groups composed of mixed ages through two (2)- years shall have no less than one (1) adult to four (4) children, with no more than eight (8) children in a group.

CONCLUSION SUMMARY

Section for Child Care Regulation has determined that this facility has violated the staff /child ratio and group size licensing rule for infants/toddlers. Child Care Facility Specialist Jana Barton conducted an unannounced inspection at the facility and found staff/child ratios to be correct in all rooms except for the toddler room in the infant/toddler unit where there were nine toddlers and two staff. Children's and staff attendance was reviewed for the week prior to the complaint which did not show that the center was out of compliance with ratios or group sizes. Based on observation during the unannounced inspection on March 23, 2021, this complaint allegation is substantiated.
